Our new Metropolitan colours

The Metropolitan Collection leads the new industrial trend in urban interiors. Oxidised steel, untreated wood and raw concrete are just some of the robust materials being used by leading edge designers. By innovating cutting-edge technology, Caesarstone has achieved these authentic finishes and patinas in quartz for the very first time - a breakthrough that you can literally feel! Engaging tactility and heightened emotion are embedded within each of the Metropolitan Collection's lively designs.

Metropolitan Collection

Caesarstone has taken on the new raw trend of industrial design and pushed it further with the innovative Metropolitan Collection. Rough, tough and unpolished, these intriguing materials are embedded with depth, movement and visual impact. Please note: All our Metropolitan surfaces have a matt, non-glossy finish to capture the essence of concrete. Concrete inspired surfaces require a little more daily maintenance, but they are just as durable and non-porous as our polished surfaces.

We promise you fast, efficient, professional customer service and support

Low maintenance living

Caesarstone surfaces require minimal maintenance to keep them looking like new. Gentle cleaning with soap and water or a mild detergent ensures ease of care for long-lasting luster.

Quality & Service

As passionate as we are about design, we are equally committed to providing the best quality and service. Caesarstone has received worldwide recognition for our commitment to quality, safety and environmental standards. Each and every one of our surfaces is carefully inspected to ensure it meets the highest level of international quality standards.

Lifetime Warranty

Your peace of mind is a top priority. We provide every client with a comprehensive lifetime warranty (residential) and professional customer support for every Caesarstone quartz surface product we supply. This means that we support our product, and that we are always at your service to answer queries, solve problems and ensure you derive maximum satisfaction from your Caesarstone product.
